The original of this ticket is an Affidavit and the charge noted on the face of such is officially lodged with the court when the issuing officer files same with the court.

This ticket may be disposed of by mail or personal appearance on or before the appearance date as noted. However, you have a right to a trial if you so desire.

State statutes permit persons charged with an offense against traffic laws of this state, in most cases, to deposit the driver's license with the arresting officer or Court in lieu of any other security to insure said person's appearance in Court wherein such charges are filed. If you elect to deposit the license as provided, and if the block is checked indicating the driver's license is deposited, this ticket will serve as a valid driver's license, but in no case shall it be in force and effect for a period of more than thirty (30) days from the date of issuance of this ticket. Failure to appear or contact the court by the date specified will result in the suspension of the license deposited. Making application for a duplicate license during the period when the original license is posted for an appearance may result in an additional misdemeanor charge.

State law does permit persons charged with traffic violations, in most cases, to dispose of such charge by mail or personal appearance on or before the appearance date as noted on the ticket. If you pay your fine in advance it shall constitute a waiver of further charges, arraignment and trial or if you post cash bail bond and default on your appearance and the court so elects to forfeit the bond in payment of the judgment rendered, such action shall be tantamount to entry of a plea of nolo contendere by you on the charges made against you and the court may convict you of the offense stated on the traffic ticket without further appearance by you. If you desire to dispose of this ticket by mail, contact the municipal court clerk or the justice court clerk noted on the front side, referring to the ticket number, your name as it appears on the ticket, address, etc., and inquire as to the amount of fine which may be assessed. Be sure to give your correct address and zip code so that you may be notified promptly of the fine required.
